EXCITING THINGS ARE COMING

Other than a little nasty weather, 2016 is shaping up to be a great year and there is so much more to come! Keep an eye out for future messages and postings of all the great events and partnering efforts that are in store for this wonderful community. February brought a few smiles at our Fat Tuesday – Celebrate Mardi Gras event. We had three really happy winners for our Valentine Give-Away and the fun times at the Community Information Meeting were undeniable. We encourage everyone to participate as much as they can.... There can be great joy in being a part of the community you call HOME.

Spring Cleaning Safety Tips

Ready to tackle a few spring cleaning chores?

- Don't try to do it all in one day. It's hard to stay safe when you're tired or rushed.
- Lift properly - keep your back straight and lift with your legs. Or find a buddy!
- Be cautious using ladders and step stools.
- Follow cleaning product safety information. Read the label and use as directed.
- Keep cleaning buckets out of reach. A child can drown in a few inches of liquid.
- Clear away clutter to avoid trip hazards.
- Check your fire extinguisher.
- Replace smoke and CO detector batteries.
- If you have questions about your detectors, please contact maintenance.
