from the street no later than
Wednesday night.*

Home Away From Home

Here at Eagle Heights we believe that serving your country is one of the most admirable occupations a person could embark on... being the dependent of a service member also comes with challenges that others just can't understand. Your service can bring you miles away from the place you started... it can mean missing family and loved ones. Or maybe it's just a longing for the familiar surroundings you had either grown to love or just couldn't wait to escape from. Whatever "Home" is to you, wherever you "Started", we appreciate your selfless act of leaving it behind to serve your country! All of us at Eagle Heights commend you! We understand that our community isn't really home... we understand that Home is your Beginning! But our appreciation for you is why we strive to make Eagle Heights the best it can be. It is our appreciation for you that makes us want to be the best we can be, to serve you! We want nothing more than to be the place you call your home away from home!

~~~RIBBON CUTTING CEREMONY~~~

On May 6th at 11:00 a.m. we will have our 1st ever Ribbon Cutting Ceremony, for our 1st ever Organic Community Garden! Please join us, the Wing Command, KCHSS, DSU and our Delaware State Government Officials! This is going to be an amazing dedication! Stop by the Garden, (located by the maintenance office) it's a great time to check out what all the talk is about and to see if you want to become a part of this amazing community initiative!

Hunt Update

Military Spouse Appreciation Day

A holiday since 1984, the Friday before Mothers' Day is Military Spouse Appreciation Day. While this may get overshadowed by Mothers' Day, consider doing a little something special for those military spouses alone on this day – a call, a card, an invite to happy hour in the driveway while the kids ride bikes. Encourage kids whose military parent is away to do something – make a card, make a book to read to the parent at home, plant a flower in a decorated pot, make anything with a kid's handprint on it.

Lots to Celebrate in May!
Mothers' Day, Armed Forces Day, Graduations,
Memorial Day. Enjoy time with your family and
friends and the unofficial kick off to summer!

Maintenance

Summer's just around the corner! Here are a few maintenance and safety reminders:

Give your air conditioner a test run to ensure it's operating properly. Don't wait until the first scorching day! Please initiate a maintenance request if needed.

Let Mother Nature cool your home – open windows on cool mornings and evenings, close windows and shades during the heat of the day.

Summer means more outdoor activities – be on the lookout for runners, bike riders and children playing. Don't forget sunscreen and bike helmets! Watch children around water. It only takes a few seconds of inattention and a few inches of water for tragedy to happen.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, other structures, overhangs and trees. Have a hose or fire extinguisher within reach.
