**FUN TIMES AT EAGLE HEIGHTS**

The EMS Hurricane Block Party was a huge success! We want to thank everyone who came out to support this annual event and all the great things that Emergency Management Services Squadron does, to keep everyone safe!

**Hunt Update**

Summertime – and moving's never easy...

June brings warm weather, the end of the school year and MOVING VANS! Let's show our new neighbors our great sense of community and welcome new families. There's nothing like a smile and freshly baked cookies, or a pitcher of iced tea, a pot of coffee or a chilled adult beverage to make a new family feel at home.

Ensure new neighbors are included in block parties or potluck meals. Introduce kids to others their age. It's much nicer to have someone to hang out with during the summer.

Our community is uniquely situated to welcome newcomers. It's a great way to model empathy to our children and perhaps make some new friends.

**Water Awareness and Summer Safety**

No matter where you live, summer and water seem to go together. Here are a few items to keep in mind this season:

With mosquitoes on everyone's mind, eliminate standing water areas, such as bird baths, kid's toys, pails, wading pools, plant saucers or other places where water may accumulate. A child can drown in just a few inches of water in a bucket – adult supervision is essential when kids are around water.

It's also prime time for open windows. Keep in mind that window screens keep bugs outside – they don't keep kids inside. Ensure children are supervised when windows are open and keep furniture which could be climbed away from windows. It's tempting to use the dresser drawers as steps, for example, so be mindful that kids may use furniture in unexpected ways. Check that any blind cords hang freely – they shouldn't be knotted or tied to prevent strangulation. If you have concerns, please contact maintenance.
