

WREATHS ACROSS AMERICA DAY – DECEMBER 17, 2022

Each year, Wreaths Across America coordinates wreath-laying ceremonies at more than 3,400 locations across the United States, at sea or abroad. We remember and honor all our military veterans that have paid the ultimate sacrifice for our freedoms.

We invite you to join Wreaths Across America by sponsoring a veterans' wreath at a cemetery near you, volunteering or donating to a local sponsorship group. Please visit WreathsAcrossAmerica.org to volunteer, donate, or sponsor a wreath to honor an American hero.

TOYS FOR TOTS

Hunt Military Communities proudly supports the U.S. Marine Corps Reserve Toys for Tots program each holiday season. Donation drops off stations will be available at several HMC communities across the nation to collect presents and toys for children in need.

Toys for Tots is a 73-year-old national charitable program run by the U.S. Marine Corps Reserve that brings holiday joy to more than seven million disadvantaged children each season. HMC is proud to support this holiday tradition to give back to our communities in a safe and accessible way. The primary goal is to help bring joy to the season and send a message of hope and support to all those in need. Donations given to Toys for Tots directly impact children and families in communities throughout the country.

If you would like to make a donation or learn more about the program, please visit ToysForTots.org.

OUR CEO'S MESSAGE

Dear HMC Residents,

We'll be celebrating the beginning of a new year in just a few short weeks. During this holiday season and throughout the year, we appreciate the service and sacrifice you and your families make. With deployments or long training missions, our Service Members miss out on many special occasions during the holiday season. In support of our families, our communities are doing special service projects this holiday season to show our gratitude for all you do day in and day out. We are also supporting those in need. Donation drop-off stations have been established at many HMC communities across the nation to collect presents and toys for needy children as part of the U.S. Marine Corps Reserve Toys for Tots program. We are also encouraging employees and residents to participate in Wreaths Across America to support their wreath-laying efforts at military cemeteries across the country. On behalf of everyone here at Hunt Military Communities, I want to take this time to wish you all a very safe and happy Holiday season and a healthy and happy 2023.

Semper Fidelis,

Brian Stann
President and CEO

COMMUNITY IMPROVEMENTS

Hunt Military Communities will be upgrading our utility billing system and transitioning billing services from Minol USA to YES Energy, a leading energy and metering company, for the administration of utility billing. Beginning in December 2022, our utility billing statements will be prepared and delivered by YES Energy.

MAINTENANCE CORNER

Dryer

You should be checking your dryer lint tray weekly. Did you know dryer lint is one of the leading causes of household fires?

Filters

Check your filter monthly. Your central heating and air conditioning unit works hard to push air throughout your house. By changing your filters on a regular basis, you help the unit operate efficiently and effectively. We change them quarterly for you; visit our self-help section in our Maintenance Shop if you would like to change them monthly.

Pests

Want to keep pests away from your home? Clean cobwebs in the inside and exterior of your homes to prevent spider nests. Need Pest Control Service? Contact our office. Did you know that with our new pest control company, every home will have an exterior service semiannually?

IMPORTANT EVENTS

Snowman Soup

Stop by the Leasing Office on December 7th from 2:00 - 4:30 PM to pick up a bag of hot cocoa mix, marshmallows, and candy canes! Open to all residents while supplies last.

Elf off the Shelf

Be on the lookout for an "elf off the shelf"! We will be hiding 6 elves around the property. Find and return one to the Leasing Office for a prize. Open to residents only and limited to one per household.

MAINTENANCE IS REPAINTING THE CROSSWALKS ALL ACROSS BASE HOUSING

COMMUNITY IMPROVEMENTS

The maintenance team has been working diligently to get the crosswalks repainted all across base housing. This is going to ensure the safety of all pedestrians in the community.
