We are honoring children of military families. Share your story and become a Hunt Little Hero in your community!

As part of the 'Hunt Little Heroes' program, we want children of military families to share their "Hero Story" of what they think it takes to be a hero and how they've been a positive influence in their community. Submit an essay, video, or drawing to the link below.

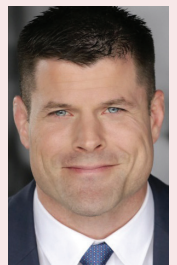

Entries accepted from midnight on March 15, 2023 to 11:59 p.m. on April 30, 2023.

## OUR CEO'S MESSAGE

Dear HMC Resident,

This month the Hunt Military Communities Foundation, in partnership with Hunt Military Communities, will launch its fourth annual Hunt Little Heroes program. This program aims to highlight the extraordinary military children who serve our communities thoughtfully and meaningfully. If you know of a military child aged 4-15 who works to make the community where they live a better place, please encourage them to apply to be a Hunt Little Hero. All applicants will receive a unique commemorative coin, hero cape, and mask. Three outstanding children will be awarded a monetary gift and the opportunity to have a matching award presented to the charity of their choice. Applications open March 15, 2023, and run through April 30, 2023. For more information, please visit [HuntMilitaryCommunitiesFoundation.org](https://HuntMilitaryCommunitiesFoundation.org). As we usher out winter and welcome the warmer days of spring, I wish you and your family the best. Thank you for allowing us to serve you.

Semper Fidelis,

Brian Stann

# MAINTENANCE CORNER

## Monthly Maintenance Tips & Tricks

- If your garbage disposal stops working, try to press the red reset button first to see if it resets. Be sure to call maintenance if it does not.
- Closing your sink stopper while brushing your hair will prevent drain clogs. When finished, remove the hair and unstop the sink.
- LED lightbulbs use over 5 times less energy than incandescent light bulbs and they last 25 times longer!
- Have an outlet that is not working? If there is a GFCU on the outlet, press the red reset button.
- Always reach out to maintenance at 302-337-4700 for any emergency you have.
