

NAME CHANGE

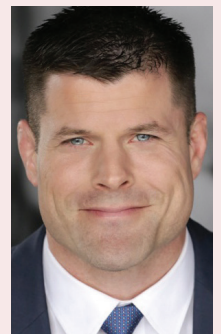

Fort Lee, a Hunt Military Community, located in Richmond, Virginia, will soon be renamed. This large base of over 1500 military homes is one of several Army bases undergoing a name change. Effective April 27, 2023, Fort Lee will be renamed Fort Gregg-Adams. The new name honors Lt. Gen Arthur Gregg and Lt. Col Charity Adams. Gregg was a key figure in the integration of black soldiers into the Army. Adams was one of the

highest-ranking female soldiers in World War II. Other Army bases receiving name changes include Fort Benning-Fort Moore; Fort Bragg-Fort Liberty; Fort Gordon-Fort Eisenhower; Fort A.P.Hill-Fort Walker; Fort Hood- Fort Cavazos; Fort Pickett-Fort Barfoot; Fort Polk- Fort Johnson; and Fort Rucker- Fort Novosel.

OUR CEO'S MESSAGE

Dear HMC Resident;

April is the Month of the Military Child! April celebrates military children and recognizes their significant sacrifices as service members' children, such as moving from base to base, navigating new schools, making new friends, and often managing months with a parent deployed. Each of our communities will host special events outlined in this newsletter. Thank you for allowing us the honor of celebrating your children. In connection with the Month of the Military Child, the Hunt Military Communities Foundation is pleased to sponsor The fourth annual Hunt Little Heroes program. This program seeks to recognize children who are heroes in their home, school, or community. I encourage your children to share stories of how they have positively influenced their community. Applicants will submit a 300-word essay or a video highlighting their "Hero Story." Three winners will receive cash prizes and matching donations to the charity of their choice. For more information or to have your child apply, please visit HuntMilitaryCommunitiesFoundation.org.

Semper Fidelis,

Brian Stann

MAINTENANCE CORNER

Tips & Tricks

- If your garbage disposal stops working, try to press the red reset button first to see if it resets. Be sure to call maintenance if it does not.
- Closing your sink stopper while brushing your hair will prevent drain clogs. When finished, remove the hair and unstop the sink.
- LED lightbulbs use over 5 times less energy than incandescent light bulbs and they last 25 times longer!
- Have an outlet that is not working? If there is a GFCI on the outlet, press the red reset button.
- Always reach out to maintenance at 302-337-4700 for any emergency you have.
