COMMUNITY DIRECTOR UPDATE SEPTEMBER 1, 2025

COMMUNITY NEWS

Safety Starts with You! Being mindful of parking, speed, and pedestrian safety helps everyone enjoy a safer more accessible neighborhood.

Here are some resident-friendly tips to help keep our community safe:

- Park Smart – Avoid blocking driveways, fire lanes, and sidewalks.
- Drive Slow – Our speed limit is just 20 MPH. Please slow down near crosswalks and busy areas.
- Watch for Pedestrians – Stay mindful and alert.

Holiday Decorations/Outside Lighting Reminder:

Decorative lighting for holidays is right around the corner! We are thrilled to see everyone's decorative homes this year. Below are some helpful guidelines to remember this holiday season.

- Lights can go up no earlier than one month before the holiday.
- Please remove them within one week after the holiday.
- All lighting must be UL or FM approved for indoor or outdoor use.

HURRICANE PREPAREDNESS

While hurricane season historically begins June 1st, storms form in the tropics from August through November. It is important to make a plan ahead of time to ensure that you and your family are safe during and after the storm.

Your plan should include:

- Write down emergency phone numbers, keep them on the refrigerator or in a central location, and program those numbers into your cell phone.
- Prepare an emergency supply kit that includes:
 - Water (plan on 1 gallon per person for at least 3 days)
 - Food (at least a 3-day supply of non-perishable food)
 - Flashlight (and extra batteries)
 - First-aid kit and personal items
 - An emergency supply of medicines
 - Copies of personal documents
 - Cell phone charger
- Locate the nearest shelter and those that allow pets if you are a pet owner.
- Depending on your family's requirements, you may need to include medical-care items, baby supplies, pet supplies, and other things, such as an extra car and house key.

For FEMA's full emergency supply checklist, go to [FEMA Checklist](#).
