COMMUNITY NEWS

It's never too early to start spring cleaning!

Maintaining a clean and welcoming community is important for everyone's enjoyment.

Please always ensure the following:

- Front and backyard areas are kept neat and tidy.
- Bikes and toys are properly stored when not in use.
- Fencing must be pre-approved, contact the office team for details.
- Holiday decorations should be removed promptly after the holiday.
- Dogs must always remain on a leash. Please pick up all pet waste.

Spring is less than 80 days away, so let's work together to keep our COMMUNITY beautiful!

MAINTENANCE TIPS

To help keep the dishwasher running efficiently, please make sure all dishes are pre-rinsed before loading them. It's also helpful to run the hot water in the kitchen sink for a moment before starting the dishwasher so the appliance fills with hot water right away.

Lastly, please run the garbage disposal before starting the dishwasher to ensure there is no food buildup that could cause the drain to back up.

TRASH REMINDER

Let's Keep Our Community Clean & Tidy!

Help us maintain a beautiful, debris-free environment by following these simple steps:

- Secure all trash properly - this prevents loose items from blowing around the neighborhood.
- Return your trash containers by Wednesday evening to keep our community looking it's best.

Thank you for doing your part to keep our community clean and welcoming!
