Celebrating National Military Appreciation Month

May is designated a special month for both those in and out of the military. We remember the sacrifice and service of those who gave all with Memorial Day. We also celebrate Military Spouse Appreciation Day and Armed Forces Day! We are proud to honor the service and sacrifice of our service members and their spouses this month!

Mother's Day Flower Giveaway

In partnership with Wilcox Landscaping, Inc. we invite you to join us at the leasing office from 10 AM - 12 Noon on Saturday, May 9th. We will provide both annuals and perennials (one flat per household) for all in celebration of Mother's Day. *While supplies last.

wear blue: run to remember

Join us virtually in honoring our fallen service members and their families for the Memorial Day run hosted by wear blue: run to remember! You can run wherever you feel comfortable, you will be given the name and story of a fallen hero to pay tribute to and you can now print out your runner's bib from home. You should speak your hero's name aloud on Memorial Day and use your purposeful steps as a living memorial for the fallen. Plan your own tribute and register now as an "individual" by visiting:

Our President's Message

This Mother's Day will most certainly be unlike any before it. As the world, and our conditions, continue to change – one thing remains the same - the value we place on the mothers whose sacrifices, commitment, and unconditional love enables families across the U.S. to thrive. On behalf of all of us at

Hunt Military Communities, I'd like to give special recognition to those mothers who are deployed, on active duty, have children deployed, or are running military family households. Each of you are exceptional. For your families, you are the thread that ties it all together, and for the nation you are both the heart and the backbone. We are all grateful. Please join me in wishing every military mom out there a very special Mother's Day.

Best,

John Ehle
President
Hunt Military Communities

Maintenance Updates

Work Orders

All routine work orders are tracked as they come in. You can track your existing work orders through the resident portal. If you need assistance setting up your access to the resident portal please let us know. We ask that you do not call in (or submit via web) additional work orders for the same items. Exterior repairs will continue to be completed, but interior routine items will not be completed until further notice. Urgent and emergency work orders will continue to be completed.

Responsibility Reminder

As everyone is starting to get out and about with the sunshine we want to remind everyone to be responsible for your pets. Pet waste bags are placed throughout the community for your use and are restocked regularly. Please ensure any young adults walking pets are also aware of those locations or are equipped to pick up after your pets. Thank you!

Community Amenities

At this time the gym, pool, playgrounds, community centers and sporting areas will remain closed until further notice.
